

Ultrasonic Aromatherapy Diffuser/Humidifier/ Atomizer

- ✓ Safe and Silent - no glass or tubing to clean
- ✓ Built in timer
- ✓ Does not alter essential oils
- ✓ No risk of overheating
- ✓ Diffuses for up to five hours
- ✓ Two colors available

Thank you for purchasing our Ultrasonic Aromatherapy Diffuser. The diffuser breaks up the essential oil molecules into the air and enhances the oil's biological effects. It's perfect for improving the air quality of your home or office.

You can use this Ultrasonic Aromatherapy Diffuser throughout the year but it's especially beneficial during cold and flu season. The diffuser can also be used as a Humidifier, Atomizer or Air Freshener.

1. Remove the water blocking plastic top and cover located on the top of the unit.
2. Fill the water tank with cold water – do not fill further than the line.
3. Add 3-5 drops of your favorite essential oil to the water depending on your needs.
